**EPA’S RESPONSE IN SUPPORT OF
PETITIONERS’ MOTION TO DISMISS**

EPA supports the Petitioners’ motion to dismiss the petitions in this matter.

On July 8, 2019, EPA published in the Federal Register a final rule repealing the challenged Clean Power Plan.¹ Petitioners have thus secured the relief they sought in this lawsuit.

Because these petitions challenge an agency rule that has been repealed, they are moot and must be dismissed because there is no longer an Article III case or controversy. *See Akiachak Native Cmty. v. United States DOI*, 827 F.3d 100, 113-15

¹ “Repeal of the Clean Power Plan: Emission Guidelines for Greenhouse Gas Emissions From Existing Electric Utility Generating Units; Revisions to Emission Guidelines Implementing Regulations,” 84 Fed. Reg. 32,520 (July 8, 2019).

(D.C. Cir. 2016) (dismissing appeal based on this “perfectly uncontroversial and well-settled principle of law” and collecting cases). Indeed, such occurrences are so routine that they are “ordinarily . . . handle[d] in an unpublished order.” *Freeport-McMoRan Oil & Gas Co. v. FERC*, 962 F.2d 45, 46 (D.C. Cir. 1992); *see, e.g., Am. Lung Ass'n v. EPA*, No. 17-1172, 2019 U.S. App. LEXIS 34, at *4-6 (D.C. Cir. Jan. 2, 2019) (unpublished); *EDF v. EPA*, No. 18-1190, 2018 U.S. App. LEXIS 24040, at *5 (D.C. Cir. Aug. 22, 2018) (unpublished). Further underscoring the lack of any remaining live case or controversy here, Petitioners themselves have moved voluntarily for dismissal.

For the foregoing reasons, the Court should dismiss all of the petitions in these consolidated cases as moot.

Respectfully submitted,

JONATHAN D. BRIGHTBILL
Principal Deputy Assistant Attorney
General

Dated: July 17, 2018
